

Neshanic Valley has been carved out of 420 acres of rolling Branchburg, New Jersey farmland. Rated as one of the TOP 50 Municipal Courses in the United States, Neshanic Valley takes full advantage of the New Jersey horse country topography. It offers the serious golfer a great challenge, while the novice will enjoy it as well. Rolling fairways, tees and greens are creeping bentgrass. Beautiful putting surfaces are well-guarded by large bunkers. Neshanic Valley is one of those courses that makes you say to yourself... "I want to come back to play Neshanic Valley again soon."
